**"Welcoming community, great education, acceptance of Ed Choice scholarship, guaranteed child care after school- the child care aspect is incredibly important to us. Many other schools offer it but can't guarantee that you'll get in. We really appreciated that Mercy made sure every child who needs aftercare gets it."**

# Why We Chose Mercy

**“I wanted my son in a Montessori environment that was diverse as well. I appreciated the fact that Mercy offers religious education and was impressed to learn about the DEIB initiative. When I attended the Open House and met the preprimary teachers, I was sold.”**

# Why We Chose Mercy

**Mercy Montessori felt like a place where no matter your background, you were welcomed. Mercy Montessori did not feel like a place where my child was just a number, you mattered."**
